are continually being lost in the voy-

born children on the General Slocum burning on the sound of New York. It is a cry of dismay from the crew of the Royal Charter wrecked on the Irish coast. It is a cry of agony from the man in the upper story of the Windsor hotel in New York, whose body with suppliant arms stretched in entreaty to the firemen falls into the seething furnace. "He is lost," we call in sorrow when our friend, the Rev. Dr. Robert B. Taylor of San Diego, made a false step from the roll of the seeth of the seeth of the Royal Charter wrecked on the Irish coast. It is a cry of dismay from the crew of the Royal Charter wrecked on the Irish coast. It is a cry of agony from the man in the upper story of the Windsor hotel in New York, whose body with suppliant arms stretched in entreaty to the firemen falls into the seething furnace. "He is lost," we said in sorrow when our friend, the Rev. Dr. Robert B. Taylor of San Diego, made a false step from the crew of the day's work." Frederick the Great did not need any one to describe for him the rising sun. During all the long standard the feast, and, as usual, the place of greatest need was the place where the was to be found. At this pool of greatest need was the place where the was to be found. At this pool of greatest need was the place of greatest need was the place where the was to be found. At this pool of greatest need was the place where the was to be found. At this pool of greatest need was the place where the was to be found. At this pool of greatest need was the place where the was to be found. At this pool of greatest need was the place was a great multitude of impotent folk, the blind, hait and blow withered, gathered. Theone man healed so occupies our thought that we for seething furnace. "He is lost," we said in sorrow when our the feast of the day's work." Frederick the Great did not need any one to describe for him their lips presed against the chalice of pleasures. Better consecute whole d of San Diego, made a false step from the deck of the sailboat and sank to rise no more. "Lost!" cries the mother frantically pacing the streets looking for her wandering child. "Lost!" cries the mother that they were early risers, many of us linger in our beds in the mornfor her wandering child. "Lost!" cries the gambler who has ventured his last ing just as long as possible. Instead coin on the turn of the wheel. Horror and dismay and agony and despair are "Late to bed and late to rise," and we

There is another kind of loss of which I want to speak to you today. At the beginning of a new year it is impressed "What time does your rising bell our study desk. Then ideas came not our study desk. Then ideas came not upon us with solemn import. Looking backward over the year that is gone, how sad is the thought of our lost when we are slept out." "What time does your rising belt we as solitary scouts, but marshaled in great armies, ready to wheel in line to when we are slept out." "What time as solitary scouts, but marshaled in great armies, ready to wheel in line to when we are slept out." "What time are slept up as solitary scouts, but marshaled in great armies, ready to wheel in line to when we are slept out." "What time are solitary scouts, but marshaled in great armies, ready to wheel in line to when we are slept out." "What time are solitary scouts, but marshaled in great armies, ready to wheel in line to a solitary scouts, but marshaled in great armies, ready to wheel in line to a solitary scouts. how sad is the thought of our lost when we are slept out. What time days! Days there have been in which does your breakfast bell ring?" "We do we might have done work for God not have any breakfast bell," you anbell rang. In came a threatening nobell rang. we might have done work for God not have any breakfast bell," you anwhich we have suffered to pass away swer. "When we are slept out, we get in idleness, days which can never be

that this axiom is true. "If a man has no regard for the time of other men." the father has his breakfast. Then one scandals and the besoiled reputations wrote Horace Greeley, "why should he bave for their money? What is the difshrine;
and to our life's tatest hour 'twill be one of our joys
one of our joys
That we kept a small corner—a place for men to whom each hour of the business

of range out over an hour. The children
ting. And he talks and he talks until ing. And he talks un men to whom each hour of the business drugs out over an hour. The children fay is worth more than \$5." But, though run off to school. The father hurries time means money to most of us, time away to business. The servant girl's should mean more than that. It is a dishes are not washed for an hour and sacred trust committed to us, for the a half later. There has been no time right use of which we shall have to for prayers. Everything in the home give account. Little enough is the portion we can devote to our Master's service family did not arise together, eat to-

in the does not stop short, face about and let it alone.

About 17 years ago I had the pleasure of hearing George W. Bain, of Kenal started on our journey. We all makes of my life. I saw if I ever had a lower of my life. I let tour homes in the was made whole, and took in the land in l Sometimes we would stop two or three | Christ by lost days? By not impr days in a town, sometimes a full week. Ing the fragments of time that lie scattered about us during the day's work, after his second interview with Jesus and the had learned who it was who had recie the globe. Each day, as a rule, was for us not twenty-four hours, but twend utes here and there to fit ourselves infor us not twenty-four hours, but twenty-four hours and ten or fifteen or even thirty minutes long. Of course you thirty minutes long. Of course you thirty minutes long. Of course you thirty minutes long. We were lengthening our days, because we were traveling our days, because we were traveling westward. How were we to straight receive; seek, and ye shall find; knock, long westward. How were we to straight receive; seek, and ye shall find; knock, long westward. How were we to straight receive; seek, and ye shall find; knock, long westward. How were we to straight receive; seek, and ye shall find; knock, long westward. How were we to straight receive; seek, and ye shall find; knock, long westward. How were we to straight receive; seek, and ye shall find; knock, long westward we were travelbis face, and at a signal would drop to the ground. So, when he returned, he used to give exhibitions and became very popular and made money, and with that formed the habit of drinking. One light he was to give an exhibition in Manchester. The scene was set in an exhibition in Manchester. we awoke it was Friday. There, in the right paths to tread, when our hands for the night cometh when no man can work is never complete until there is full day. How did that day disappear? the blind lead the blind? Can some against those who would waste our may be implied from Jesus' words that middle of the Pacific ocean, we lost a are helpless in their stupidities. Can As I sat that Friday morning, after thing come from nothing? Can the Thursday was dropped out of my calendar, I said to myself: "Yes, yes. This unless she has been first taught to is the way many days are lost for Christ in our great journey of life. We must have int with eyes like balls of fire, and it crept Here it is a few minutes wasted for rection of our life or else all our work Christ in the morning. There it is a will go for naught. What would you few minutes wasted at noon or at think if one summer day I should

its head in line with its face. The man gave the signal, but the serpent had him entirely in its power, and with one tightening of its body crushed the life out of its victim.

This illustrates the drink habit as well as anything I ever heard of. So I service for the Master."

These few minutes few minutes few minutes do not seem to amount to much at the time, but in the aggregate they make up whole days, weeks, months and perhaps whole years of wasted time that might have been spent in service for the Master."

To Australia, I would answer, "To Australia," I would answer and say: "Captain, I would the helmsman obey my command?" "Where would you take the strain of the captains strains. I would strain anything a service for the Master."

These few minutes few minutes for a tright. These few minutes for a tright. These few minutes for a tright strain and say: "Captain, I would like to take charge of this steamer and say: "Captain, I would the helmsman obey my command?" "Where would you take the strain of the captain and say: "Captain, I would all ke to take charge of this steamer."

Would the helmsman obey my command?" "Where would you take the strain anything I ever heard of. So I service for the Master."

These few minutes for a tright the time, but in the aggregate they make up with seamer and say: "Captain, I would alk to take charge of this steamer."

Would the helmsman obey my command?" "Where would you take the strain anything I would answell as anything I ever heard of. So I service for the Master." How many days that might have the laws of navigation?" "No." ed, don't begin; and to those that have been given to Christ have we lost? I cannot let you take command. You begun, stop before it is too late.—Frank How do we lose them? First, by not starting the work of each day prompt.

by and energetically as we ought to do
by oversleeping in the morning or by
dawding through our dressing, by lingering too long at the breakfast table,
by yearning and stretching and stretching and stretching are the ship off its course. It would take by yawning and stretching and idiy as perhaps days or weeks to regain building air castles in bed after the our course, or perhaps we would never has passed the British parlia-and went into effect January 1.

The law was the result of a

The law was the result of a contract of a upon every bedroom door when he calls: "How long wilt thou sleep, O sluggard? When wilt thou arise out matter how good a man's purpose may sluggard? When wilt thou arise out of thy sleep? Yet a little sleep, a little sleep, a little sleep, a little sleep, a little folding of the gation he cannot guide his boat to the ly, said Mrs. Henpeck. "No one should and the fishes. Some are drawn by the sleep, a little folding of the gation he cannot guide his boat to the ly, said Mrs. Henpeck. "No one should have any sympathy for the man who should h

work on time. "He loses half an hour every morning and runs after it during the whole day without being able to overtake it." Many men and women are wasting precious days that might

[Copyright, 1994, by Louis Klopsch.]

LOS ANGELES, Cal., Jan. 8.—The day lost by solar reckening in a wester-ly voyage around the world furnishes and early to rise makes a man healthy, wealthy and wise" has just as much between the surface of the sporting columns in the daily between the surface of the sporting columns in the daily round to spend every morning and evening in the street car on your way to business the preacher in this sermon with an illustration between the surface of the sporting columns in the daily round to the last injunction. instruction by which, as he shows, days as on to the first.

truth tacked on to the last injunction newspapers. Look out for that haif hour which you fool away in your are continually being lost in the voyage of life; text. Ecclesiastes ix, 10, "Whatsoever thy hand findeth to do, the world have been early do it with the might."

Almost without exception the great work of intellectual growth risers. While other men were in bed can be done if only the few wasted model. "Whatsoever thy hand findeth to do. do it with thy might."

What tragle significance there may be in that little word "Lost!" We hear it in the despairing cry of the miners starving in the Death valley of the Mojave desert. We hear it in the bitter cry of the travelers bewildered in midwinter on the Montana prairies. It is a shriek of horror on the lips of the poor children on the General Slocum purples of the sund of New York.

Tisers. While other men were in bed they were at their desks or in their investigations. Hardle of they were at their desks or in their investigations. Hardle of they were at their desks or in their investigations. Hardle of the satisfaction to books. One day out making their investigations. Hardle of the Great, was talking to Dionysius, the great general of Syracuse. He said to the son: "I do what I do because I rise every morning at 4 o'clock, and a great deal burning on the sound of New York.

> are lost to the service of Christ on account of our own follies, how many are lost to Christ by reason of people who seem to have nothing to do themselves and who seem to be possessed with the ides that we have nothing to bave been when we arose with clear flying doves, seemed ready to roost on mad ready to encamp upon our premof the homes he had been intely pestering. The Lesson Outline. THEME-Doing Good on the

THEME—Joing Good on the Day.

L—The Needy Multitude, vs. 1-4

II.—The impotent Man Healed, vs. 5-5, 14.

(I) A Desperate Case, v. 6.

(2) Jesus Saw Him, v. 6.

(3) Jesus Saw Him, v. 6.

(4) The Reply of Dawning Faith, v. 7.

(5) The Healing, vs. 8, 8.

(6) Confessing Jesus, vs. II-15.

(7) The Cleansing from Sin, v. 14.

III.—Jesus Critics, vs. 10-11, 15.

Comparing Scripture with Scripture

Comparing Scripture with Scripture.

1. The Needy Multitude, vs. 1-4.—

but Jesus delights to have the worst cases come to Him. There is nothing fritter away the late hours of the night on doing nothing, just as in the morn These thoughts, like a great flock of 32:17, 27; Heb. 7:25.

(2) Jesus Saw Him, v. 6.—There wa something in this man which attracted Jesus above all the others. It was the possibilities of a faith that could claim healing. As Jesus looks upon us what swer. "When we are siept out, we get up and dress and go to breakfast. That iges for the next two hours. Though unto us, because of what He sees in us of unbelief and self-will?—John 2: 24, 25.

now." Like Felix's remark to Paul people are saying: 'Go thy way this time; when I have a more convenient season, I will call for thee." Souls impotent because of sin are refusing to be healed. They love darkness rather than

God says: "Work, work, work! Work, was the cleansing from sin. Jesus work." That means we must fight repentance and cleansing from sin. it against those who would waste our precious moments as well as against this man's condition had been the dition our own slothful natures, and of all warnings for busy men I think this one of the most important. Where there is one busy man who would voluntarily waste his time there are ten lazy fellows who are ready to waste it for him. latter case the forgiveness of sin preceded the healing. Note in the miracles of healing how often Jesus forgave sin and urged its forsaking.

III. Jesus' Critics, vs. 10-13, 15.—it was the Sabbath day. A good day for a good deed. But a man restored to Look out that these despised "nomads" gave sin and urged its forsaking.

down by Jesus in regard to the day of

The Golden Text. "And a great multitude followed Him, because they saw His miracles." There are many motives which prompt people to follow Jesus. Some follow from idle that church. Some follow because they like He—I understand for some maladies people are following Jesus to-day. But physicians are recommending yawn-bow many are true followers?

La Grippe and Paenmonia.

But a greater service than the healing lows who are ready to waste it for him.

may not ruin any more of your days of good deed. But a man restored to health, and made a useful member of society, was overshadowed in the minds podist, "it isn't the corn itself that of the carping critics by the question of Sabbath day law and observance ance than they did for the man for whom the Sabbath was made. In striving for the Sabbath was made. In striving for the letter they had killed the spirit.— Erskine, of Allenville, Mich. says, 2 Cor. 3:6. Here was the beginning suffered Hearthurn and Stemach tro of a controversy which continued all through Jesus' ministry. Note Jesus' arguments on various occasions: Mark 2:27, 28; Matt. 12:12; Luke 13:16. How build say smarter things than he if I few Christians follow the ideals laid

"You might leave off that 'too many' to wear the livery of the Christian. And

are wasting precious days that might be used for Christ by not getting up on it time and starting the work of the day on time and systematically and promptly meeting all demands as they come up for settlement.

This warning against the wasted minutes of the early morning is far more necessary than some of us have here tofore supposed. When we waste the early minutes of the morning we waste the early minutes of the whole day. The old proverb says; "Beauty sleep is always taken before 12 o'clock"

To build the Panama and when he had never taken a course it knew 12.—Yes; I think I'll try it for that tired feeling.—Yonkers Statesman.
